JACKIE LEWIS

To a very
sweet girl that
I've known to be a
couple days. Hope
to see you next year. Future
looks bright as
you walk across the
stage this summer.
Have a good
time.
Celest Bishop

To a very wild
and wacky girl: It's
been nice knowing you
these past 4 years. Stay as
sweet as you are and you'll
go along way in life. Stay
WILD!

Southern lands and sky blue water,
Midst them stands you, Alma Mater.
Guardian of this fruitful land,
With all knowledge at your hand.
Ever guiding onward true,
Auburndale, we pledge to you.
Alma Mater, stand forever,
On Lake Ariana's Shore.

To a nice
girl who really
knows how to
stay loyal

Jackie,

Jackie,
Although we didn't become
very good friends I know that
you are a very sweet girl.
Stay that way and it will get
you far. Good Luck.

Best friends. I hope
we can be friends all
the rest of our lives no
matter which way we
go. Lots of luck in the
future.

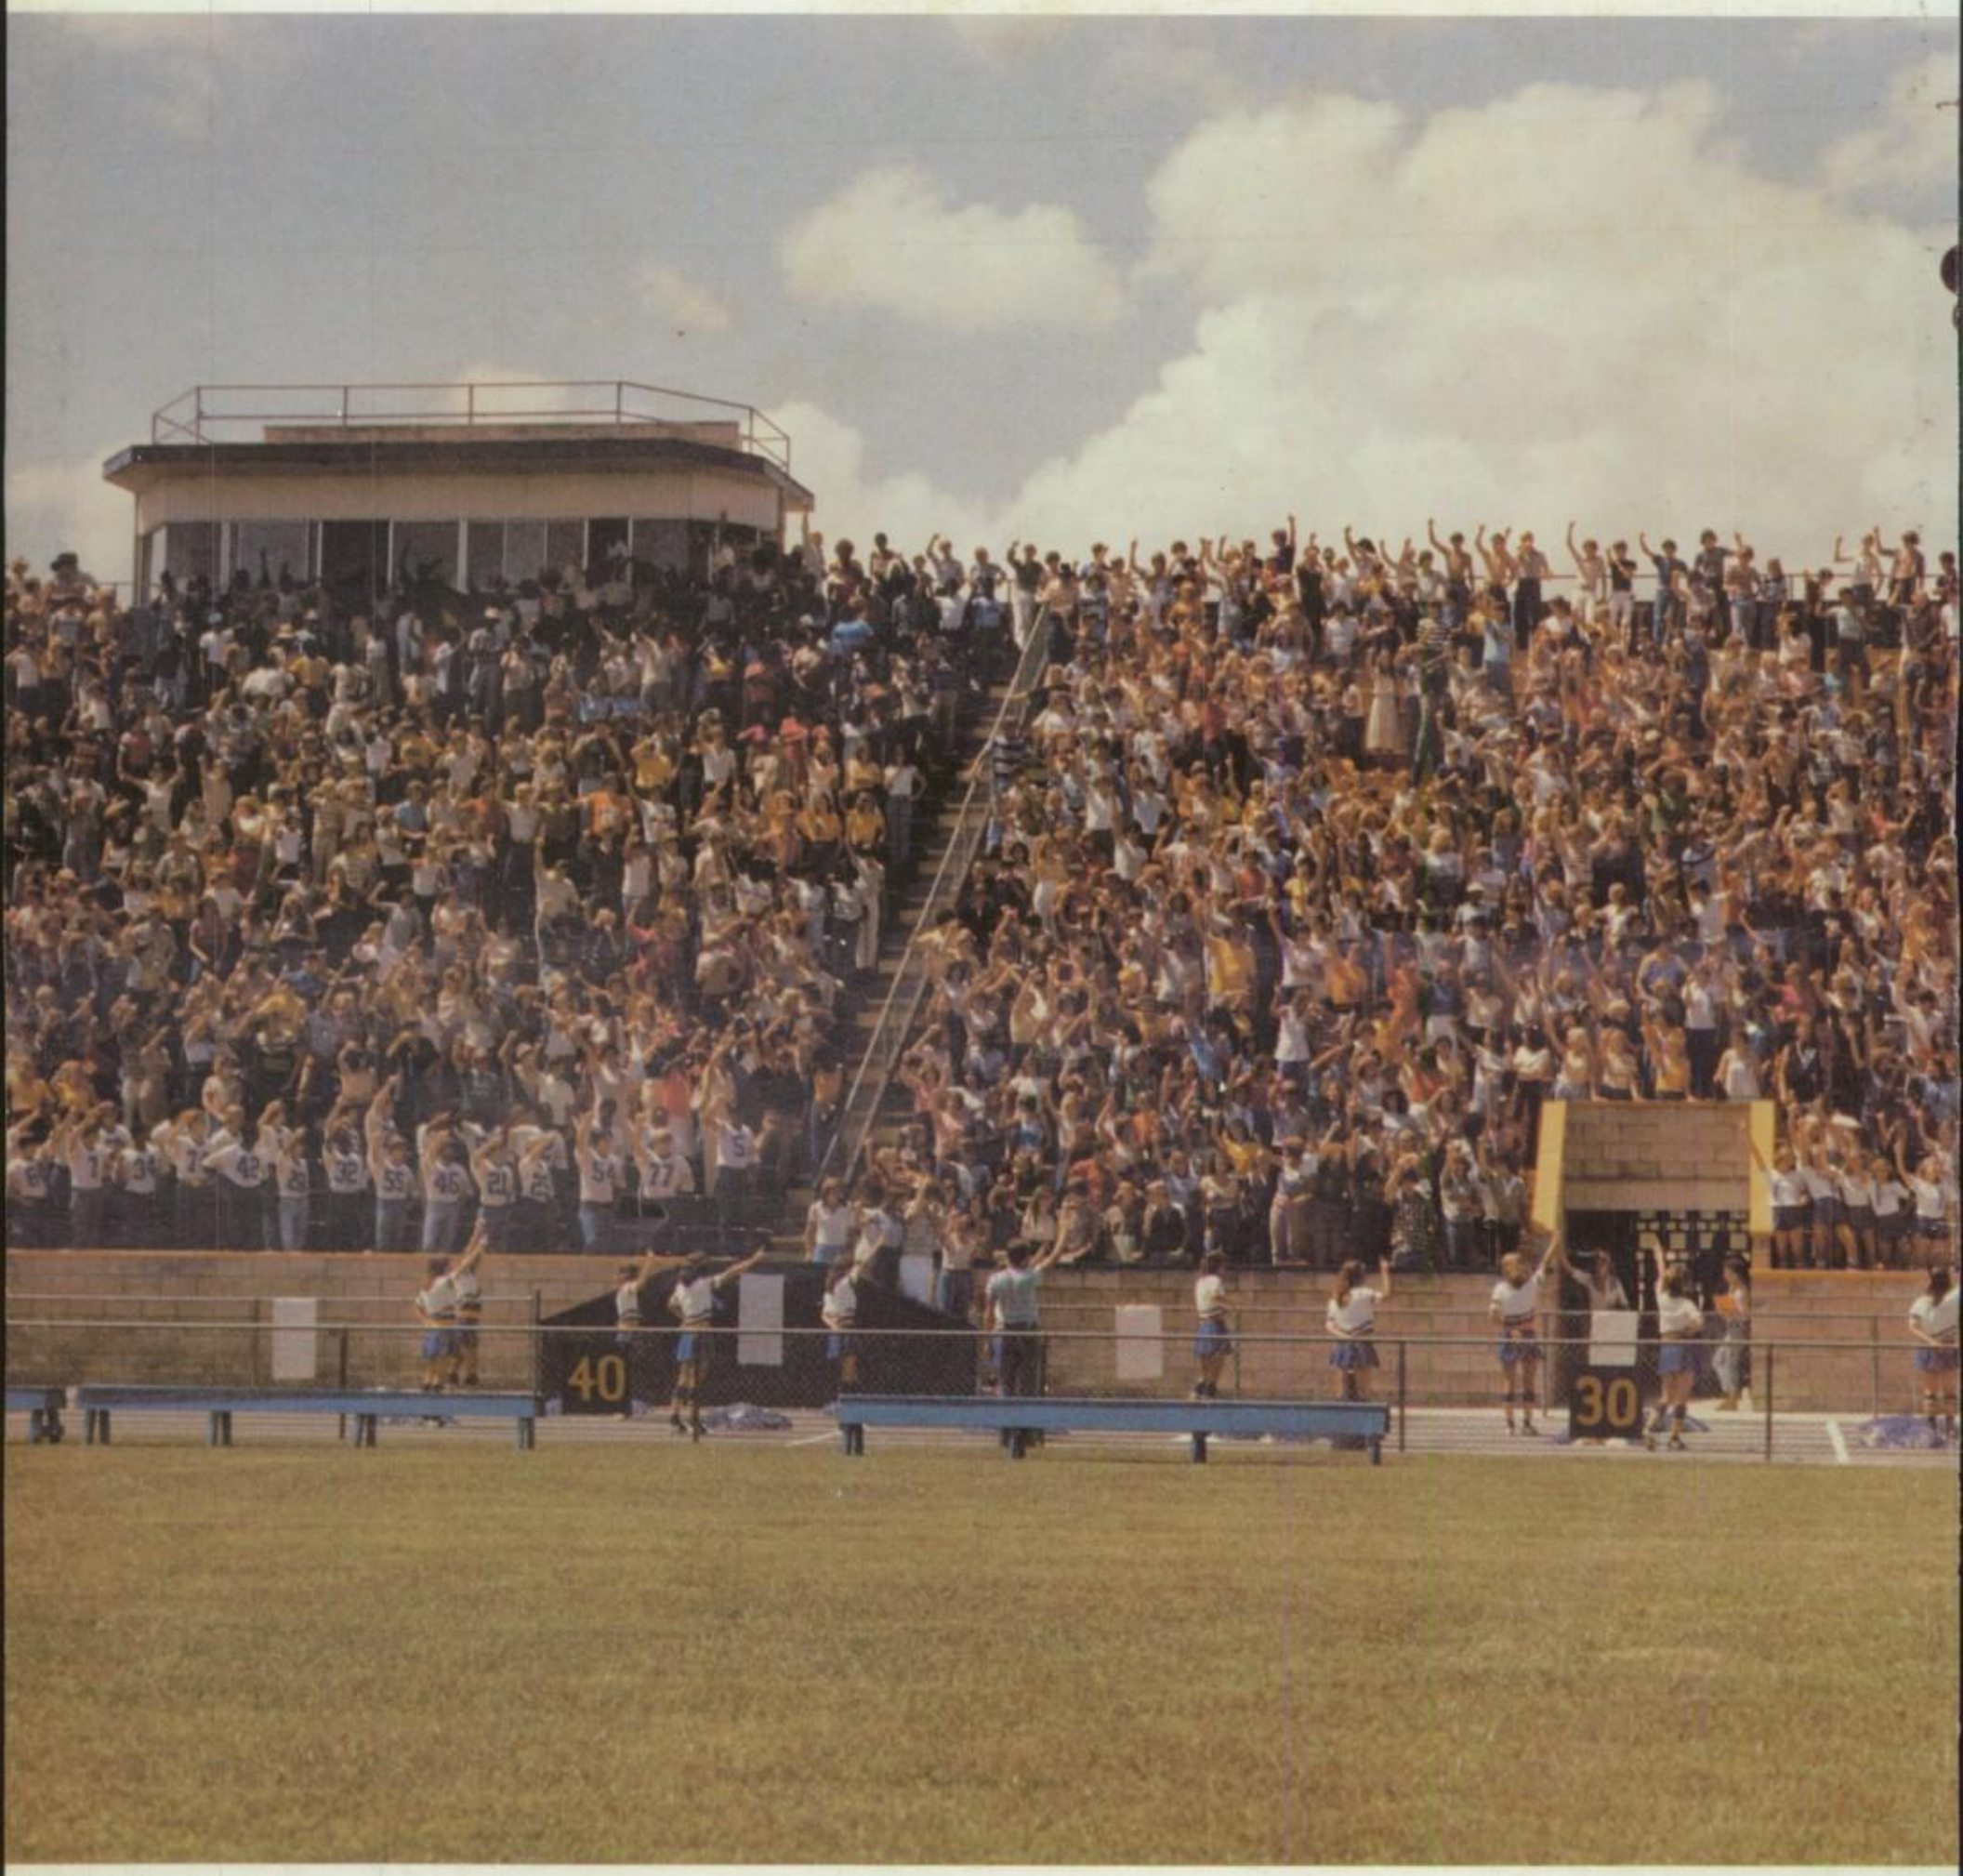
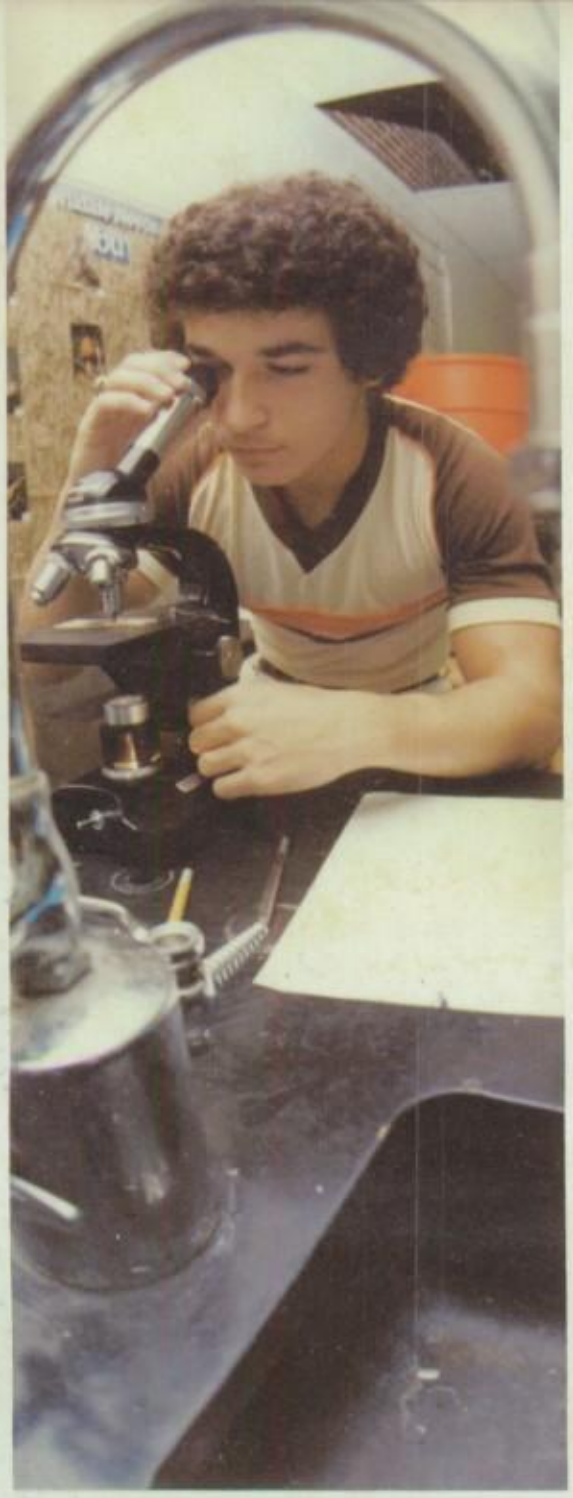
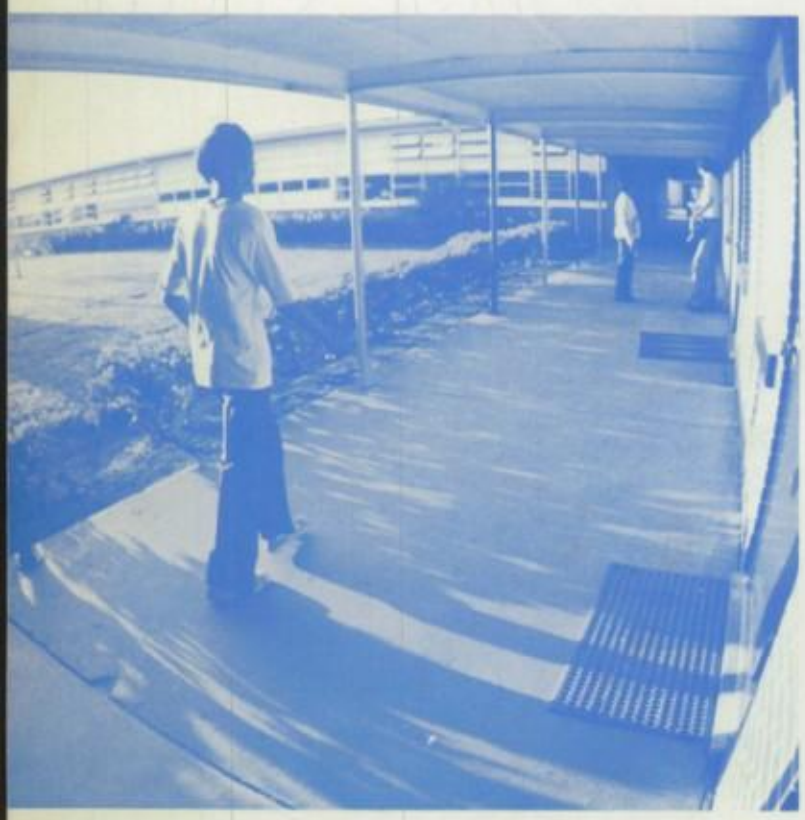
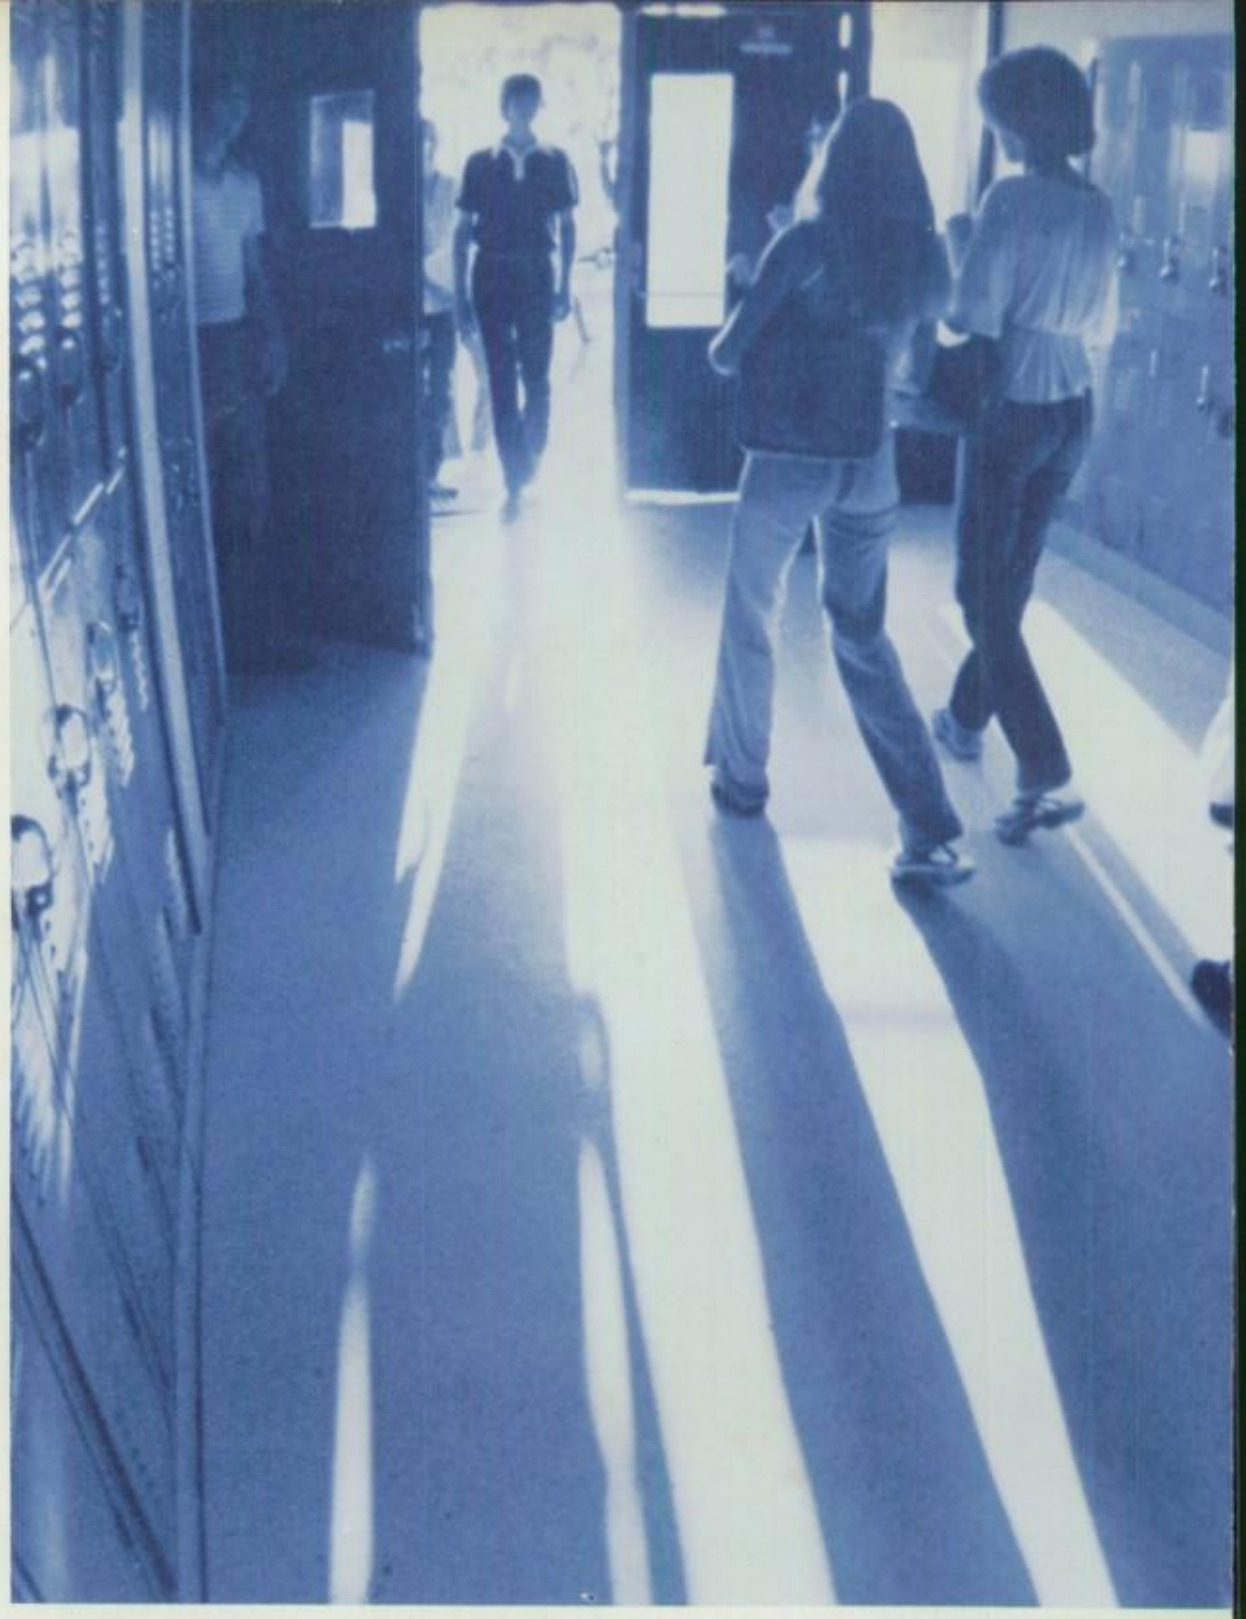
The new decade approaches just over the horizon with an exciting, defying and optimistic outlook.

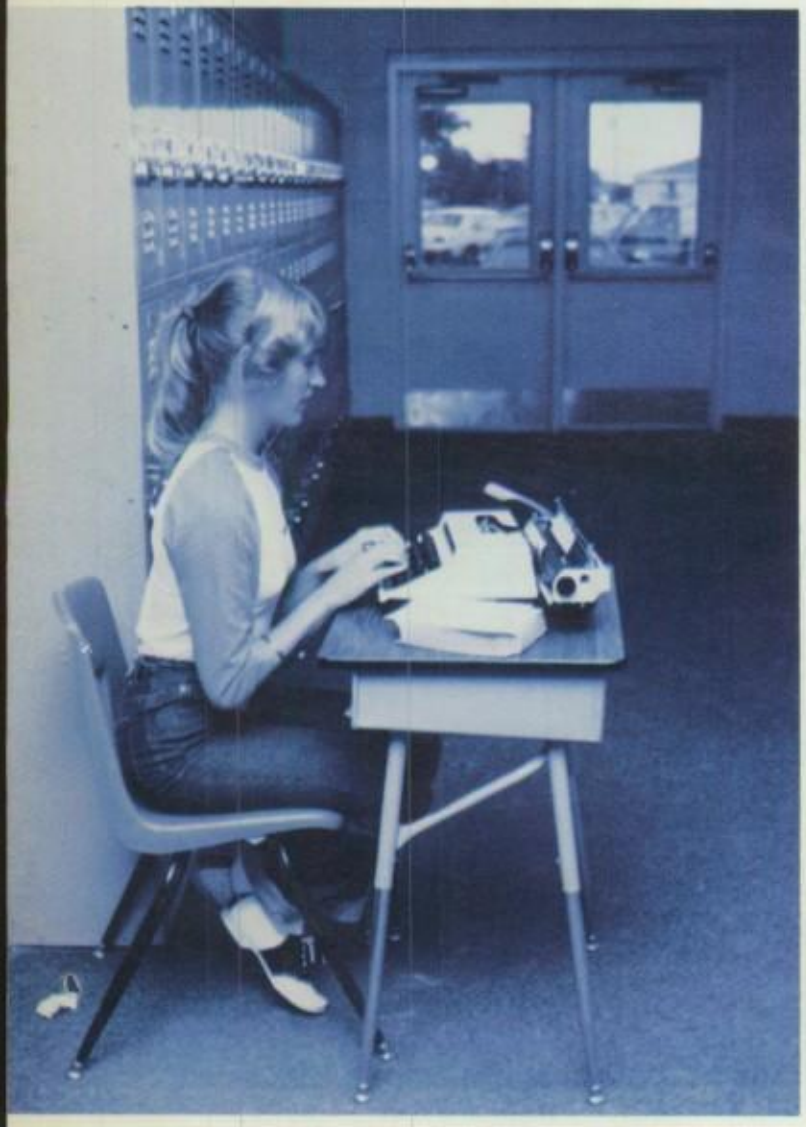




Jackie,
I really don't know you that good, but I hope next year I will get to know you better. I think you are very sweet + I'm glad we had a class together this year! Love always,
Denise Gray

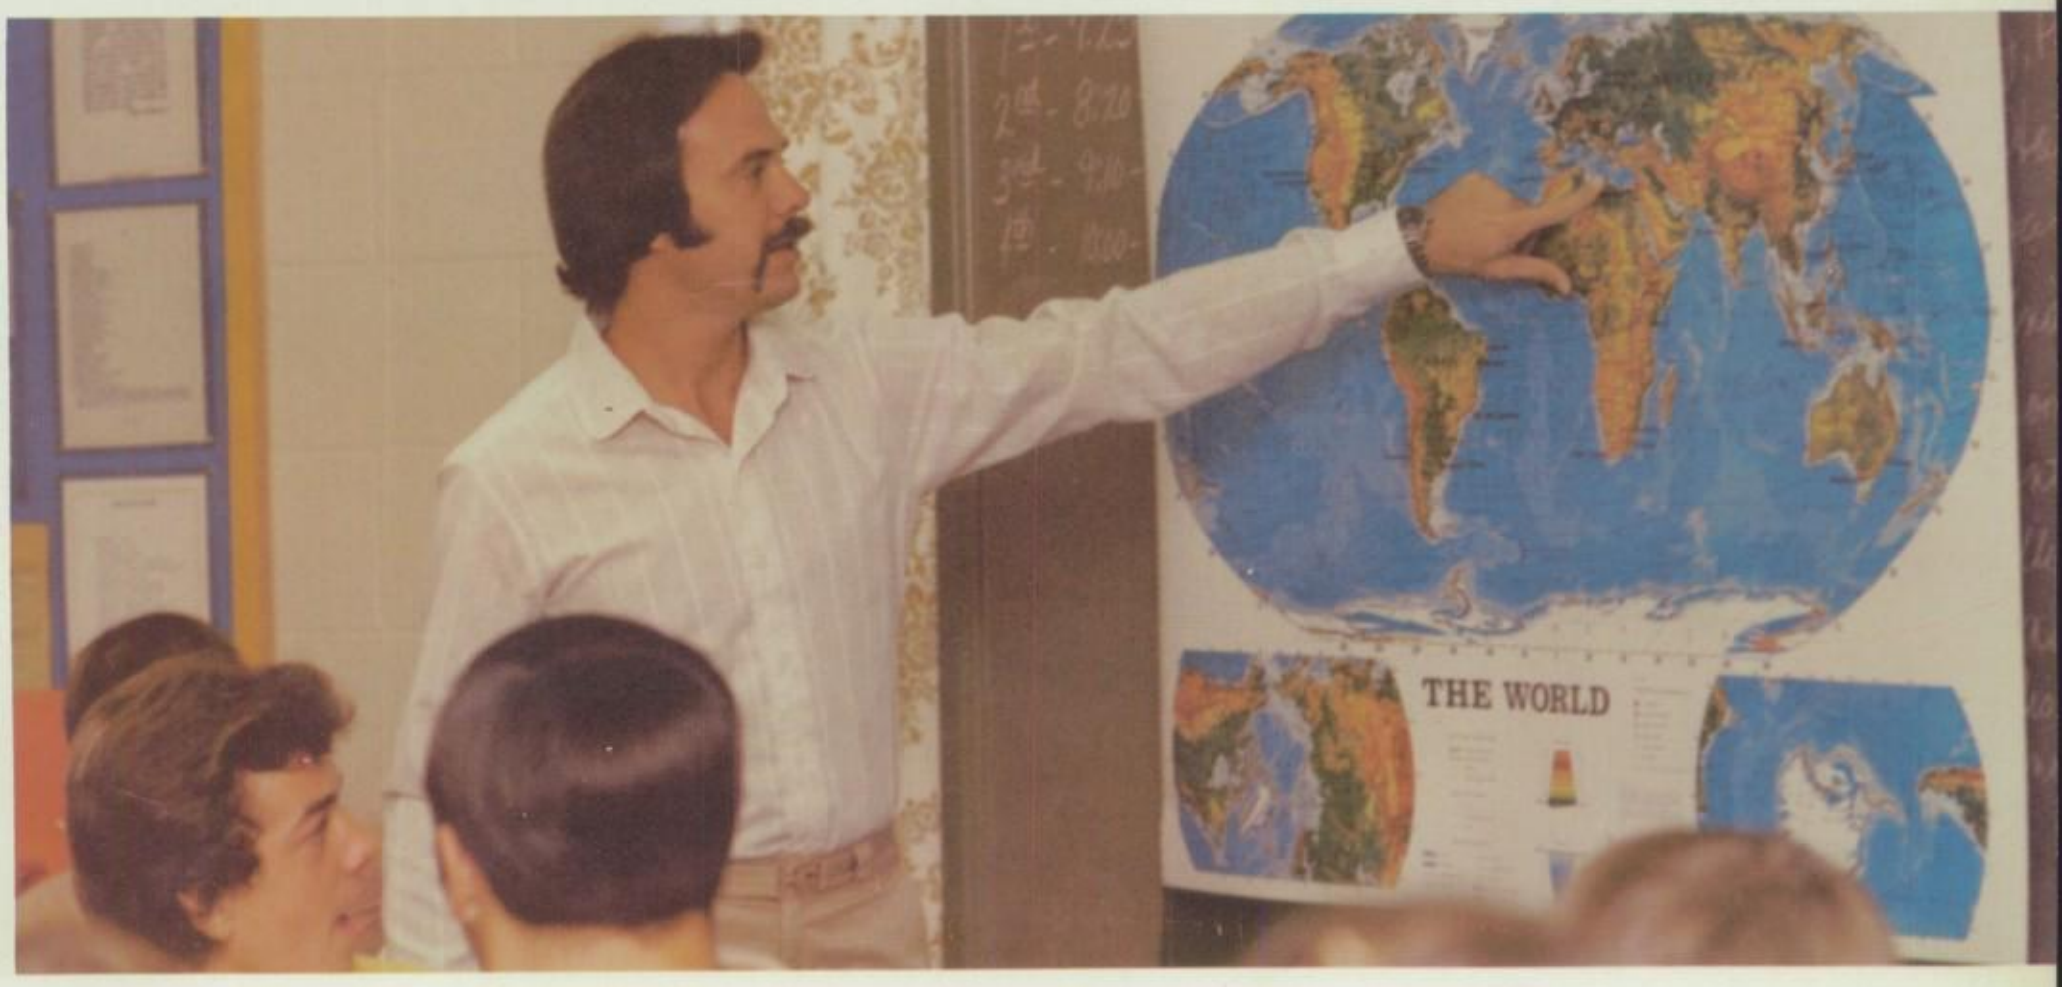






The directions that we have taken have prepared us for the turns of our future, whether they be into new or old paths, we will make it through.

Our next decade has been chosen through what has been learned in this one. Though we have learned a-lot — a lot will be gained in the 80's.



THE WORLD

The 70's were a part of our lives, but we are the people who will help form the 80's, which will one day be history.

We will have to accept the defeats, as well as the great victories, during this decade — the eminent years of our lives.

Now we face a new decade. There are new adventures to undertake and new problems to solve.

What memories the past school years have engraved into our minds, we must make the best of and proceed to better lives unknown.

Let us take those memories, our education, and our willingness, and venture forth to say —

"Welcome world, and welcome A.H.S. to the Directions of a New Decade"

This way please . . .

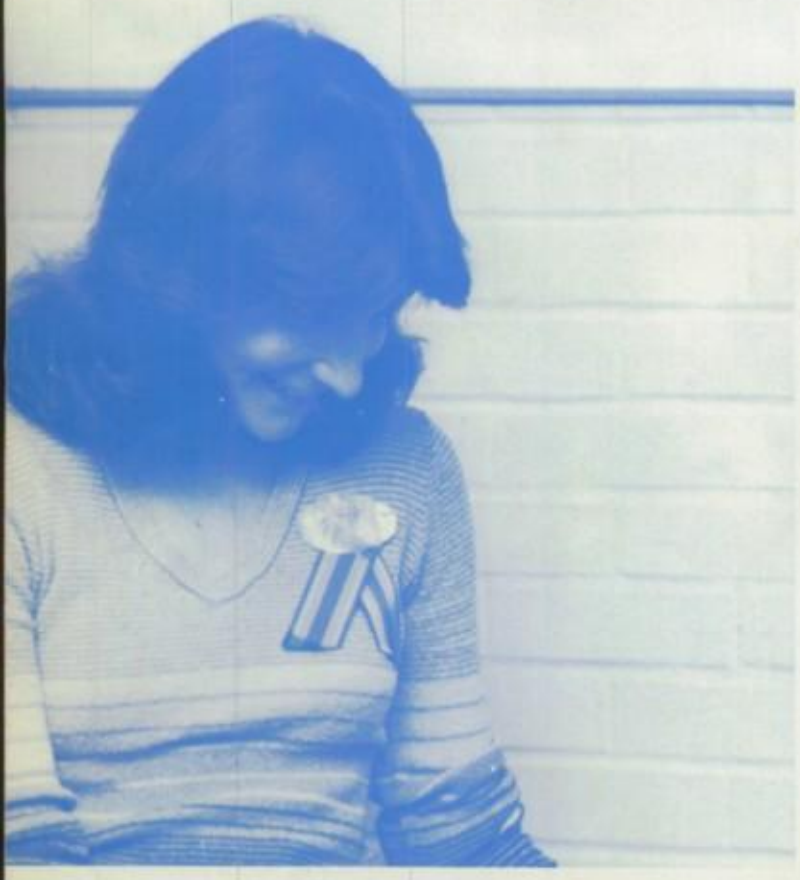
The 1979-80 BLOODHOUND is proudly dedicated to Miss Maryclaire Maltese, whose friendly, caring, and understanding voice has led so many of us through bad days or rough classes. Her helpfulness and her constant smile radiate the warmth that she so willingly gives as she makes her own way through her day of curriculum.

STEP Club has been fortunate enough to benefit from her kindness, as she has sponsored the club for the past two years. In addition to that, Miss Maltese shared the responsibilities of coaching the A.H.S. Girls' Varsity Tennis Team with Miss Celia Bugg. She also dedicates herself to the First United Methodist Church where she serves as youth director. "MC²" as she is often called, also works with the Christian Action Group in Lakeland, and enjoys bicycling, music, cooking, and nature.

I bet he has splitting headaches!

Don't you dare take my picture!

Dedication



Peek-a-Boo, I see you . . .

Dear Auburndale Senior High School,

The Senior Class of 1980 is proud to announce we will soon have accomplished twelve years of sadness when we realize that we will have to say Good-bye to Auburndale Senior High. You have become an important part of all our lives. As we look back over our three years of high school we remember all the great times we have shared: times like getting our first annuals, receiving our class rings, going to the Junior-Senior Proms and beating WHHS in football. You have offered us many opportunities: education, athletics, leadership, friendship and a chance to improve ourselves through all our hardships and accomplishments.

We would like to thank the teachers and administration for their time, patience and understanding. You have given us an education that will be the foundation of our future. You have also taught us that we can do anything or be anyone we want to be if we are dedicated and determined to fulfill that goal. We would like to give a special thanks to all our Senior Class Sponsors, especially Mrs. Poole, for always being there when we needed guidance through our last year of high school.

We would like to also thank the underclassmen for all the friendships and memories you have given us at AHS. We hope you have as much fun as we had in your remaining years of school. Best of luck with all of your future goals. We know we are leaving AHS in good hands.

We have a mighty challenge to meet, as we become adults in this great nation. Whatever careers we choose, let us serve to the best of our ability, so our influence will be a good one.

Whatever we may be doing or wherever we are in the future we will always be "A TRUE BLOODHOUND!" Thank you Auburndale Senior High School for being a great friend.

Sincerely,
The Class of '80

Rhonda shared excitement with friends.

Homecoming 1979-80 began with the nomination of 30 candidates by various organizations and classes. Everything was organized through the Student Council, with Anita Braddy serving as Homecoming Chairman. The parade of candidates on October 16 was held in the gym, and was said to be the best ever. The entire school attended this event and was entertained by the Stage Band. This was the only chance for everyone to look at all the candidates so that they could choose the ten finalists. On November 1, the student body voted for Homecoming Queen and was followed on November 2 by the homecoming parade. The floats were based on a "fairytales" theme. The parade gave the school and the public eye a chance to see the ten finalists, as well as many interesting floats, some of which required two weeks of hard labor.

At last the big night rolled around. Although the band did not participate due to the rain, the ball game went on as usual despite a short delay. The rain continued and the candidates and escorts were counseled about the homecoming events. Everyone agreed that they wanted to share it with the loyal fans who had withstood the weather. Miss Rhonda Brown, who was sponsored by the Senior Class, was crowned Homecoming Queen by last year's queen, Miss Yvette Harvey. Miss Pam McKinney was named first runner-up and Miss Fonda Hughes was named second runner-up. The drenched evening was overruled by our victory over Kathleen.

This is the twentieth year of the tradition of selecting a Hall of Fame at AHS. Since the quantity and quality of the Senior classes seems to be improving every year the faculty has enlarged the number of students honored, from 20 to 24. The faculty chose those Seniors who they thought deserved this honor. These students have shown the desire to achieve, they have displayed loyalty, and have shown high moral standards. The girl and boy receiving the highest number of votes were named as Mr. and Miss AHS.

It is hard to imagine leaving AHS, I never will forget the great times at the pep rallies, football games, homecoming and most of all the many friends with which I have shared these good times with. Leaving AHS seems to be the end but it is just the beginning of a new phase in life which Auburndale High School has prepared me for. I always will have the memories and love I feel for AHS. Good luck and good-bye, fellow Bloodhounds."

The class of '81 entered the 1979-80 school year with a sense of determination Auburndale High School has never seen before. Their Bloodhound pride showed through in several different ways.

To start things off, they each ordered the ring that was made just for them. Then it was on to meet the challenge of beating last year's juniors in the magazine drive. After much hard work they succeeded by selling over $10,000 worth of magazine subscriptions, which was well worth the effort when the highly successful prom came through. Soon it was time for Homecoming and its surrounding festivities. They entered in the parade a colorful float with the theme, "King of the Mountain." The mighty Bloodhounds proved this at the game on Homecoming night. When they lowered the Kathleen Red Devils 26-14. Their Homecoming Queen candidate, Fonda Hughes, escorted by Scotty Brown, received the 2nd runner-up position in the contest. Throughout the year they maintained their high level of achievement in all areas, continuously showing A.H.S. they were proud to be the CLASS OF '81!

Today we dream . . . Tomorrow we become.

Tomorrow was only a step away. We grew day by day, taking for granted the things we soon would treasure. Friends were close and always there. We saw ourselves among friends — laughing and smiling, enjoying high school, because soon it would be time to move on. Our successful Junior year may be over . . . but our best and last year is yet to come.

Juniors on the run . . . prove they're #1.

Someday I'll be famous.

Juniors on top once again.

Come sail away . . .

Leave me alone, I've had a rough day!

"Both tears and sweat are wet and salty, but they render a different result. Tears will get you sympathy, but sweat will get you progress."

— Rev. Jesse Jackson

The sophomore class came into its first year at A.H.S. and met new challenges and experiences. They quickly got involved and made their presence known in pep rallies, clubs, and games.

The class of '82 achieved many things. They sponsored a homecoming float that carried the *Cinderella* theme. Mark Tanner and Paula Carver were named most-spirited boy and girl. Sophomore class officers were elected as follows: Pres. — Kim Good; Vice-Pres. — Rhonda Hughes; Treas. — Jodie Linamen; and Sec. — Vanessa Brust.

The sophomore class was definitely # 1, this assures Auburndale Senior High of a very bright future.

Sophomore Class Sponsors: Standing L to R — G. Coppage, C. Garrett, K. Hostler, M. Dunson, B. Winsett. Sitting L to R — A. Ritchey, T. McKenna, D. Turner, M. Terry, H. Chamberlain.

That was a good one!!!

Tracy barrels forward for a few more.

Do you ever wash your hair?

OK, put it out, you guys!

This year the Varsity Bloodhounds surpassed their pre-season expectations. Working with a young group of players, the coaching staff led the team to a number of surprising victories, which included defeating the Fort Meade Miners — one of the top AA teams in the state. Using Coach Parrish's alternating quarterback system, the Hounds established both an effective running and passing attack in their 16-7 victory.

The Hounds kept the momentum going by rolling over new district rival Lake Gibson, 35-7. The Bloodhounds, emphasizing their ball control offense, proved themselves as an offensive powerhouse. On the other side of the field, the Braves showed their inability to move the ball against the tough Bloodhound defense.

The next week the Bloodhounds took a break with an open date, before facing another tough district foe, Haines City. Although Haines City controlled the line of scrimmage most of the night, the Hounds came out on top, 21-9. This was a key district win for the Bloodhounds, keeping them in contention for the district title.

tough

Following their win over Haines City, the Hounds traveled to Sarasota Riverview to face the Rams. In this contest, the Hounds showed their ability to pass effectively, throwing for 173 yards. This win over Sarasota boosted their record to 4-0.

The following week the Hounds faced one of their toughest games of the season, district power Lake Wales. The game was a defensive battle until late in the game when Lake Wales broke it open with a long run from scrimmage. The Hounds suffered their first loss of the season 14-0.

Next on schedule were the Lakeland Dreadnaughts, one of the top AAAA teams in the state. Lakeland handed the Hounds their second straight loss 21-0.

Up next were the Sebring Bluestreaks, another district foe. The Hounds played Sebring in their Homecoming game. This was a *must* game for the Hounds to stay in contention for the district crown. The heartbreaker, 20-16.

Trying to rebound from three straight losses, the Hounds hosted Kathleen in our Homecoming game. Playing under extreme conditions, Auburndale defeated the Red Devils 26-14.

Agee eyes a receiver.

Coach Don Turner is the offensive coordinator. He, being an ex-quarterback, instructs Auburndale's field generals. In keeping with their traditional alternating system, the Hounds rotated Senior Cary Newton and Sophomore Raymond Agee at the quarterback position, with Newton getting the starting nod until late in the season. With Newton being hurt down the stretch of the Hounds' schedule, Agee was pressed into fulltime duty. The Sophomore responded better than the coaches' expectations, sparking something Auburndale fans haven't seen in a few years, the effective use of a passing game. On the otherside is Coach Wynn with the defensive line. Auburndale, lacking in size on the line, depended heavily on their quickness and speed, which often came shining through in various Hound victories. Auburndale was not without some size, however, looking at their premiere lineman Roger Maultsby. Maultsby, at 6'2" and 240 lbs. figured to be determining factor on the Hound line until the Senior was injured and missed a majority of the season.

their shape

The Bloodhound linebacking corps consists of Gary Slager, defensive Captain. It also consists of Lester Axson, Robert Harvey, Derrick Hayden, George Parrish, Nathaniel Carter, Todd Copeland, Charles Lemon, and Wade Manis. They are directed by Coach Parrish. Parrish realizing that this is the mainstay of his defense, works them quite hard. He runs them through drills, for things like aggressiveness, speed, and agility, all of which are essential for a good linebacker. The defensive backs also figured to be a determining factor in many Hound victories. These young men had large tasks in front of them like stopping State 4A power Lakelands aerial attack, and also Kathleen's potent passing game. Coach Morgan spent much of his time during practice going over complicated zone and man-to-man coverages with them. The defensive backs have been a bright spot in the Bloodhound defense. They are led by Ronnie Spears, Cary Newton, Larry Culbreth, and Robbie May.

Tradition

Following the '78 season, the J.V. Hounds improved their record, to 5-1. Under the new coaching of Paul Green and Lynn Marsh, succeedingly defeated Kathleen 19-7, Bartow 23-8, Haines City 16-6 before suffering their only loss to the undefeated Blue Devils. The Hounds finished their season on a winning note with a convincing 20-0 victory over Lakeland.

Bloodhounds to the rescue!

This year's varsity cheerleaders are led by captain Lisa Crumbly and co-captain Pam Hood. Seniors on the 79-80 squad included Crumbly, Rita Cook, Wendee Walker, April Williams, and Terri Howze. The cheerleaders attended DCA camp at Stetson University this past summer, where they won the Dynamite Stick Award, which is the highest award possible. They also won several ribbons for their stunts, jumps, and for the most spirited group. During football season the cheerleaders livened things up with a different theme for each pep rally. In basketball season, the girls were split into two groups of six, to cheer at each game. Being a varsity cheerleader isn't just a two season job, it's a year round thing including banquet preparations, and making up new cheers and stunts. The cheerleaders were lucky to have a dedicated sponsor in Miss Judy Cusick. Overall, the varsity cheerleaders have been a valuable asset in boosting spirit for the AHS teams.

J.V. CHEERLEADERS SHOW "BABY HOUND" PRIDE

The 1979-80 JV cheerleaders began their duties by selling the all-purpose cleaner, Civic Pride, during the summer of '79. The money earned by each girl went towards her camp fee and new uniforms for the upcoming year. Practice for camp was rough, because the girls had never cheered together before. But time went on and their determination proved successful when they won the squad unity ribbon at the DCA camp. They cheered throughout the year for the Junior Varsity football and basketball teams.

Lady Bloodhounds

The Lady Bloodhounds, picking up where they left off last year, started the 79-80 season with three impressive wins. In their opening match, they devastated Frostproof 15-5 and 15-0. They next faced a stingy Lake Gibson team which they handily put away 15-4 and 15-13. Then came district rival Bartow. The Hounds, playing "Bloodhound ball" blew away the Yellow Jackets, 15-0 and 15-0. After breezing through their first three matches, the Hounds were to face their toughest foe in Polk County, the Kathleen Red Devils. The Lady Spikers were set back 15-13, and 15-11 for what was to be their only loss in regular season play. The Hounds — using Coach Dunson's "Bloodhound ball" — bumped, set, and spiked their way through their next five matches, beating Ft. Meade, 15-7, 15-10; Haines City, 15-0, 15-5; Lake Gibson, 15-7, 15-13; Mulberry, 15-7, 15-6; and Lakeland, 15-0, 15-3.

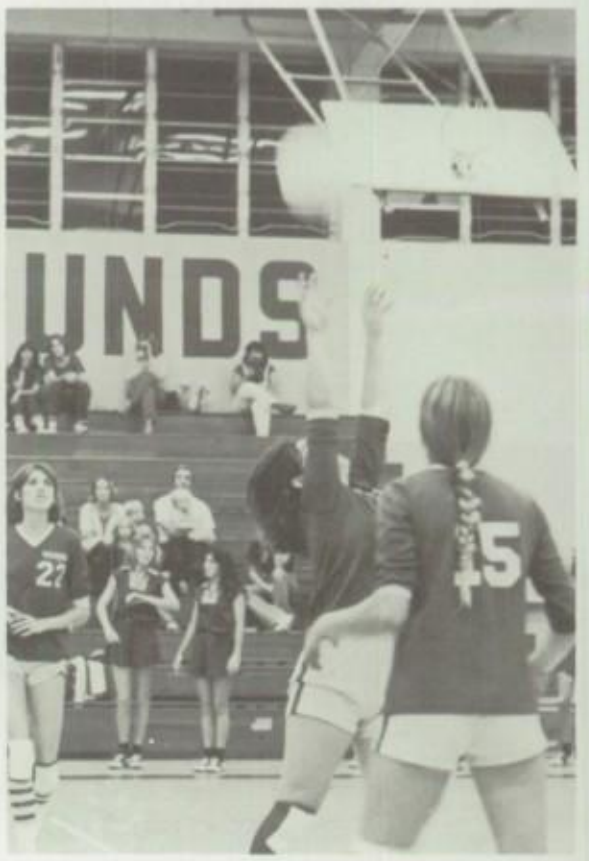
"Hey dunt look at us now!"

The thrill of VICTORY . . .



Top setter Selisa Mock.

By this time in the season the Bloodhounds clearly showed themselves as the team to beat in Polk County and in Class AAA, District 9. As the Hounds were again rolling with the successive victories, the troublesome Red Devils appeared next on the schedule. The Hounds, seeking to avenge their only blot on the record, downed Kathleen 15-9 and 15-10. The Lady Hounds next faced cross-town rival, Winter Haven. The Blue Devils forced the Hounds to score more than fifteen points for the first in the season, but the Hounds came out on top 17-15 and 15-11. Only Lake Wales remained before tournament time and the Bloodhounds easily put them away by scores of 15-2 and 15-8.

The Lady Spikers entered this year's county tournament as the number one seed with an 11-1 record. The Hounds first faced the Panthers of Mulberry, who they put away 15-8 and 15-1. In the second round they were pitted against Lakeland, the Hounds came out on top of this one also 15-3 and 15-6. In the game for all the gold, the Hounds faced none other than Kathleen. The Hounds defeated the Red Devils in the first set, 15-13. In the second set, the Lady Bloodhounds grudgingly bowed 16-14. In the third and final set the Hounds, not to be denied a county championship ripped the Red Devils, 15-8. Next in line for the new county champs was the district tournament. The Hounds again being seeded #1, drew a bye in the first round and coasted through the second by defeating Lake Wales, 15-6 and 15-0. In the finals, the mighty Hound spikers faced a young and fired up Lake Gibson team. The Hounds downed them 15-7 and 15-6 for their second championship of the season. The Lady Bloodhounds hosted the regionals and were knocked out of contention by scores of 15-4 and 15-4. The Hounds finished the season with an impressive 16-2 record and with county and district championships under their belts.

This year's Cross Country team was loaded with veterans, many of them were returning to Coach Keith Hostler for their second and third time. Despite this, the team load was mostly carried by little Ruben Moa through the early part of the year for Moa this was his first year under Hostler and the junior proved to be a valuable asset. He was Hostler's #1 runner. Hounds regular season record was an impressive 40-7 and their invitational record was 22-19. Through most of the season the Hounds were being continually edged out by Haines City. At midseason the two 3A powers clashed at the Bartow Invitational with Auburndale coming out on top for the first time. From then on the Hounds were always on top.

The Hounds used a team effort in winning the District Title with their runners staying close together throughout the race.

Coach Hostler also doubled as the girls coach. This was the first time in Bloodhound history for a girls team and the girls responded quite well finishing fourth in the District race. Senior Deanna Workman was the #1 runner on the season with Jerry Neely and Laura Lane trying for the second spot. Hostler had nothing but praise for his first year team, who also came in sixth in the rough Hardee Invitational race.

"Instant two stu"

As the season opened, Head Coach Clay Garrett was optimistic about the upcoming year, though he knew it would be a rebuilding one. With only 2 seniors on the squad, the young cagers were expected to be cellar dwellers, but to everyone's surprise they jumped out to a 4-0 lead in the district, followed by Bartow and Lake Wales. Through the early part of the season the Hounds were up and down, beating highly regarded Bartow and losing to lowly Haines City, the second time around.

Some of the difficulties the Hounds faced were brought about partly by the Tornado of May 8, and also by bureaucratic red tape. The Hounds practiced in many if not all gyms in Polk County. It was soon becoming a daily chore for Coach Garrett just to find a place to play. But thanks to Polk Community College, the Hounds managed to play several home games within a few miles. Despite having to come a long way, many bloodhound fans managed to support the team most every game.

Despite the Hounds being one of the younger teams in the district, they managed to stay among the leaders throughout much of the seasons. In fact the Hounds led at one point, until they came upon hard times, losing 6 straight games. Part of the Hounds' problems came with departure of numerous team members. The Hounds finished the season with 2 seniors, 8 juniors, and 2 sophomores.

But all this could be a blessing in disguise, with ten experienced returnees, Coach Garrett and Hounds have a promising outlook for the 1981 season.

Coach Gordon Coppage took a dim outlook on his 79-80 cagers, but as the season neared things brightened. At one time Coppage had over fifty boys out for a squad of only twelve. After numerous tryouts he reduced his roster to his desired twelve. So far this season the J.V. cagers have surpassed Coppage's expectations, staying at or above the .500 mark.

This year's girls' basketball team had many things to be proud of, just one of which is that this year's squad won more games than all previous years put together. Before the Christmas break the girls won five out of six games, that in itself being a major accomplishment. As the year progressed so did the girls, as they received votes in the girls AAA poll. This year's team was led by senior captains, Molly Baker and Belinda Bozeman. Baker being the team's leading scorer and second-leading rebounder. Auburndale had something not many other Polk schools had — an abundance of height.

They had three players over six feet tall. As well as they did, the girls had some misfortune coming in the form of injuries and illnesses. First went backcourt ace Carla Smith out for the season with a broken ankle. Next came six-foot junior Sherri Thornton out with a back injury. She missed numerous games but her first game back she responded with a 17-point performance. Even with all these problems, third-year coach Ronnie Spears has given Auburndale girls' basketball their best record since they have been playing in varsity competition.

"Mr. Auburndale" Dale Anderson

First year head coach Paul Green didn't quite know what to expect at the reins of the "Rastling" team this year. Green received a great deal of help from former coach Richard "The Bear" Brown. Green also had excellent student leadership from captains Gary Slager and Wade Manis. Although Green was new, he expected and demanded very much from his team. This showed in the teams final record of 9 and 3.

One of Green's more difficult tasks was getting his men in shape and keeping them there. It takes an extremely dedicated individual to maintain a certain weight especially if it's below his normal body weight. The "Rastler's" unlike the basketball team had been able to have home matches which greatly improved the teams morale. All in all this past season has been a learning as well as a teaching experience for new head coach Paul Green.

This year's varsity Speedsters challenged district rival and defending State Champions Haines City. Coach Keith Hostler depended heavily on his field events this year to keep his team in contention. In the field there were various senior standouts such as Roosevelt Hopkins in the high jump, Brian Adams on the shot, and Robby May and Scott Whitney in the pole vault. May and Whitney both advanced to the regionals as juniors last year and were powers to be reckoned with this year. On the track, Hostler looked to his 440-relay team, who also advanced to the regionals last year. Only one member of that team did not return this year. Hostler also depended on the Barber brothers, both excellent sprinters, to keep his short sprints in the running.

This year's squad returned twelve members off of last year's championship team, including Karen Shipley, the top discus thrower in the district, also, Mary Collins who placed first in regionals and sixth in state last year. The team had several girls from the cross country team come out to help in the long distances.

The team also had a variety of underclassmen returning such as Carla Smith, in the high jump, Barbara Davis in the shot. Davis placed fourth in regionals and fourth in the state last year. Other juniors returning are: Marta Trevino, a 440 runner and Marlene Varnadore, a strong 880 and mile runner. Also for the underclassmen was sophomore Teresa Williford who holds the county Jr. High shot put record. With the great number of underclassmen, Coach Mary Dunson is looking forward to future championship seasons at AHS.

Dern, another error.

Goin' for two!

The varsity Bloodhound Sluggers were the defending AAA District 9 Champs. Coach Richard Myers expected his young team to be able to pick up where they left off last year. This year's team was comprised mostly of underclassmen, led by two ace hurlers, Dennis Chastain and Mickey Etherton, both of whom were juniors. These two pitchers were considered to be among the best in Polk County. Some of the Hounds district rivals believed it to be more of a rebuilding year than a contending year, but Coach Myers had a few surprises in store for them. One of those surprises was the return of Senior Cary Newton to the Bloodhound roster after a year's absence. As a Sophomore, Newton batted well over .300. All these factors added up to two things, trouble for the Hounds' district rivals and another contending year.

Jack heads for home.

A Bloodhound

Bloodhounds are athletes . . . but they never forget that they are also students.

Bloodhounds are full of pride and spirit for themselves, their teams and their school.

Bloodhounds never give less than their very best at practice and in competition — Knowing that no more than their very best will be expected and no less than their very best will be accepted by their teammates, their school, or their coach!

Bloodhounds should encourage their teammates when they make a mistake, and praise them when they do well —

Bloodhounds win as a team and loose as a team — sharing in victory as well as in defeat — in all aspects of life as well as in competition.

If you are a Bloodhound — you are somebody —

Be Proud of who you are and what you are . . .

You are a Bloodhound from Auburndale Senior High!

Work on the 1980 Bloodhound began in the latter part of the 1978-79 school year. Ad Sales began at this time in order to raise money to have a quality annual. Also during the summer, staff members assisted the Bryn-Alan photographers taking Sr. pictures. In August the Staff went to a Taylor Publishing Co. Seminar at the University of Tampa for four days. At the Seminar they learned how to put an annual together. They were also shown new techniques and special effects used by many Yearbooks. Ideas were exchanged among schools and the staff got a chance to see other schools' yearbooks. When school began, actual work on the book began. Pictures had to be taken, layouts drawn, copy written, and deadlines met. By working as a team, the 1980 Annual Staff accomplished all of this to bring to the Auburndale Bloodhounds a yearbook they could be proud of. The Staff hopes that by looking through this book of memories, the Student Body can recall many of the events that occurred during this fabulous school year.

I must have dropped my ring in here somewhere.

The Auburndale Chapter of the Future Farmers of America had an exceptionally good year. The 186 members made up 13% of the entire student body. In FFA, members not only learn about and gain experience in agriculture, but they also gain leadership ability and experience in public relations. All members were enrolled in a vocational agriculture class, have home projects, and participate in FFA competition, in addition to paying dues.

The club was very busy in the fall, getting the year off to a good start. In September, they began making basic preparations for the coming year. Activities included electing local officers, steer weigh-in, officer leadership school, and organizing of home projects. In October, they held a greenhand ceremony to officially enlist new members. They also participated in the annual homecoming festivities. Their homecoming candidate, Lisa Grumbly, was one of the top ten in the contest. They also entered a float in the parade with the theme "Jack and the Beanstalk." By November, it was time for members to begin practice for the many upcoming contests. These contests included: the creed contest, tractor driving, parliamentary procedure, public speaking, mechanics, farm management, and many others. Also during November, representatives from AHS attended the National FFA Convention in Kansas City.

By the time winter came along, things were really under way. In December, came the moment of truth, the FFA members went to sub-district contest and proved that hard work really does pay off. During January, some members attended livestock school in Gainesville. District 8 contest was held and Auburndale FFA members made us shine with pride once again. FFA regional contests were held in February and Auburndale gave their usual good performance. FFA week was held February 17-24 to bring a climactic end to the winter.

As Spring came upon us, the year began to come to an end but members kept up the good work. Members entered their home projects in the Polk County Youth Fair (March 6-9) and won numerous awards. The club also began preparing their year end reports. In April, members entered several contests and returned to Auburndale, proud of their many accomplishments. May brought an end to the year with a program review and a parent-membership banquet.

FFA started the year off well and got a good foundation, yet even with this foundation each FFA member had to work hard for the entire year to make it the great success it was. Each member of the 1979-80 Auburndale Senior High FFA can be proud of the clubs accomplishments for many years to come.

FHA

A Lifelong Discovery

FHA Float was made by complete cooperation.

FHA/HERO was one of the largest AHS clubs.

FHA had a fine float with the theme, Pinocchio.

FHA member puts final touches on float.

The FHA/HERO club enabled its more than 137 members to prepare for careers in the various child care, sewing and food service occupations. The Fundamentals of Food Management class, better known as the "Foxy Hound," trained students for jobs in fast food services. The Child Development class prepared the students for child related fields, helping the students to understand the emotional and physical child. The clothing and textiles classes gave students first hand experience in making their own clothes. The students in the family living class learned the adult way to handle everyday situations concerning everything from dating to marriage.

FHA/HERO sponsored Ann Gregg for homecoming queen candidate. They also entered a float, with the theme Pinocchio, in the homecoming parade.

In order to raise money for various expenses and to pay the way for delegates to the state convention, they sold sno-cones after school and had a candle sale. Many members entered clothes, food, and other home economics related exhibits in the Polk County Youth Fair and received numerous awards.

The Students Towards Environmental Participation (STEP) Club had productive year in 79-80! Their work included a barbecue at the PEER Center, a fund raising project for the Tiger Creek Foundation, and a mistletoe sale at Christmas. They also sponsored a top ten finalist, Miss Kista Dove, in the homecoming festivities.

Under the leadership of President Molly Baker, the Fellowship of Christian Athletes at Auburndale High School busied themselves by various activities this year. All members participate in at least one sport, pay dues, and attend meetings throughout the year. The club sponsored the FCA vs. AHS Faculty volleyball game in the spring. They also held an FCA picnic, and all members had a great time. Through participation in the various club activities the members learned good sportsmanship. The 1979-80 school year proved to be an extremely good year for Auburndale High School's FCA.

In Industrial Arts, students are taught many skills which can be used in "day to day" living, according to Mr. Cole.

Class projects are usually assigned which may require time outside the normal class scheduling hours.

This year Hound and Hammer built their own homecoming parade float under the theme "The Three Little Pigs." Pam McKinney represented Industrial Arts as the homecoming queen candidate and was elected first-runner-up.

Many students use their experience in the Industrial Arts course as a start in a career in plumbing, welding, and other Industrial Crafts.

American Field Service

The American Field Service (AFS) is a club that gives students the opportunity to learn about other countries, their people and their customs.

On the weekend of January 25, 1980, AFS had six foreign exchange students stay in Auburndale. These students came from many countries all over the world.

Other activities included a garage sale and selling orchids for Valentine's Day. The proceeds went toward entertaining the foreign exchange students.

The Future Business Leaders of America at AHS was an extremely busy club this year. Aside from their bimonthly meetings, they also spent much time preparing for and entering various club oriented competition. They were rewarded by the many awards won by members in the business categories. In order to sponsor members in these activities the club had a candy sale in March, which was a welcome success in helping the club continue the excellent work they exhibited throughout the year.

The Naval Junior Reserve Officers Training Corps taught its company the discipline, leadership, and dedication necessary for good performance in the U.S. Armed Services. The students got practical experience in order, respect, cooperation, and self-discipline, which are crucial to the achievement of perfection.

The NJROTC reflected this perfection in everything they did during the course of the year. The Color Guard did a top-notch job of marching in the homecoming parade. All members had a chance to take a ride in a helicopter.

NJROTC sold candy for a trip to Jacksonville. At the end of the year the NJROTC had a military ball for all members and their dates.

The "Tortoise and the Hare" float, designed and constructed by YEA raced through Auburndale during the Homecoming parade.

Miss Gwen Lundy represented the club in the parade of candidates for Homecoming queen. The P.T.S.A. open house was conducted on the evening of January 21, 1980, members of YEA served as guides for the parents. On January 30, 1980, members of YEA experienced the day as teachers at the Auburndale Jr. High. YEA assisted in the UNICEF program, donating funds for needy children throughout the world. Some members visited Florida Southern College as a field trip during the month of March. Teacher Appreciation Day was promoted by YEA club in gratitude for the superb job the teachers of A.H.S. have done educating and guiding their students. Reminiscing of the year's achievements was held at the club's year end banquet in May.

Pep Club

Had the spirit!

The Pep Club's job of promoting school spirit has been one of outstanding merit. An example is that of "Spirit Week" on November 16. During the week, students were asked to dress in black for the funeral of the Blue Devils, as Hawaiians, in fifties dress, and wear hats. There was also a "Mr. Cool" day. The week was very successful and the student body was ready to cheer their team on to victory against our old rival — Winter Haven. The students who participate in the Pep Club activities have learned that your school MUST have spirit!

The Spanish Club remained very busy this year, but still had the time to create the first place door and second place float during Spirit Week at Homecoming. The selling of Goo-Goos was their most successful fund-raising project ever. The money was raised for their banquet at the Columbian restaurant.

The soccer game against the French Club in March proved to be great fun for both sides.

On April 17-19 they attended the Florida State Spanish Conference in Orlando. Then, in May a Spanish Fiesta was held, where each person dressed in Spanish apparel, ate Spanish food, and listened to Spanish music.

The club's brain brawl team also competed with teams from nearby schools.

Santa arrived with surprises?

Members have fun while entertaining school during assembly.

1979-80 Student Council consisted of approximately seventy-two members, some of which were elected in homerooms, presidents of each organization in school, and class presidents. The officers were elected at the end of the 78-79 school year by the student body, since the main function of Student Council is to represent the student body in school matters.

They had a very busy year! They sponsored all the Homecoming activities, from parade to dance. At Christmas they put on one of the best programs ever. They also sponsored Field Day in May. Student Council members sold Bloodhound stadium cushions so that they could do all these things, as well as bring in the new officers for the 1980-81 school year, for the student body.

Being in Student Council, members learn how to conduct meetings, how to work in groups, they learn the importance of being the liaison between the Administration and the student body, they learn the proper channels one should use to get a job completed, and last but not least, that loyalty to school is important.

All the Student Council members would like to give a special thanks to Mrs. Goodrum and Mr. Daniels for all their time and advice they have given us.

AHS Anchor Club consists of approximately 60 girls who were willing to give their time to serve the school and community. To become a member, pledges were required to pay dues, attend every meeting for the first month, and participate in service projects at these meetings, which included painting banners for football games and making table favors for a Rest Home they visited in Lake Alfred. After completing these requirements, they were made official members at an Anchor Initiation banquet.

As the year progressed they participated in many other projects. In November they sponsored Sheri Howell for Homecoming Queen and, along with Key Club, entered an excellent float with the theme "Lord of the Rings." At Christmas they sponsored a canned food drive. Anchor members kidnapped AHS Club Presidents and held them for ransom (cans of food). The Drive was very successful in helping needy families have a Merry Christmas. During Christmas vacation the club had a slumber party. Fun was had by all, even though they had to sleep the next day to pay for it. These examples represent just a small portion of the many successful activities the Anchor Club had this year. They certainly proved that service is their motto.

The Junior Civitans worked hard to make this year a success. They had several fund-raising projects and appropriated the funds to charity and club work. Near the beginning of the year, they held a car wash to raise money for various club projects. In the late fall, they sold M&M's and the profit from that went also to further club work. During spirit week, they sold jinx-links that made a paper chain for each of the classes. The class with the longest chain won and all the money collected was donated to the Association for Retarded Children.

The club also helped with the Special Olympics for retarded children. Their sponsor club in the community, Civitan, also sponsored an initiation for the members. Through these activities and many more like them, the Junior Civitans at Auburndale High School showed their concern for others. Junior Civitan lived up to their reputation as an excellent service club.

The Imperial Sound

Leading the way through another school year, as they have so often done, the Imperial Sound of Auburndale has shown their excellence on and off the field. Supporting the football team was a tremendous task that the band handled with ease. They gave support at all the football games and went on to perform their halftime show at the Florida Band Association Marching Contest where they drew a rating of straight superiors for the second year in a row. They also went on to the Southern Contest of Champions in Orlando where they placed ninth out of 22 bands. Under the direction of John Carmichael and Drum Major Tricia Montoya, the band went on to win other awards and individual members of the "I.S.A." were accepted into various honor bands. The band is the largest and one of the leading clubs in the school. Without them, our spirit, and guidance would be lost. They always earn the right to call themselves the "Imperial Sound of Auburndale."

The Imperialettes consisted of twenty dancers which were selected through auditions. They performed at football games, basketball games, and parades. During the summer they attended a camp, "Marching Auxiliaries," and brought home the spirit award as well as second place in competition. exciting!

This year the Concert Chorus worked extremely hard. They represented the school well by participating in many extracurricular activities, such as concerts, contests, and their play, "Annie Get Your Gun."

Their first concert was held at the Auburndale Tourist Club. The music that was sung came from the "Vivaldi." The "Vivaldi" is a piece of music which involves choralists, soloists, and orchestras. The chorus thought it would be difficult to sing at first, but it became quite a challenge.

The contests the chorus was involved in were the District and State contests. The chorus did a spectacular job at these two contests.

For their fund-raising project the chorus sold M&M's to raise money for the music that they sang. The Concert Chorus would like to give special thanks to Mr. Yates for the time he spent with them and the patience that he showed during and after school.

Please let me sing Mr. Yates.

for AHS

The 1979 "Mixed Chorus" was really on the move this year. They started the year off by performing a Halloween play to the majority of the school. The chorus practiced long hours during school to make the play a big success. The Mixed Chorus had the opportunity to sing at the Christmas Concert which was presented to the student body. Their fund-raising project for the year was the selling of M&M's. This was to provide the Chorus with the music that they sang. A majority of the Chorus was able to attend the State and District Contests. The Chorus enjoyed a most successful year.

Oh, look girls, here comes Dad.

Spirit

The Chorus showed their Christmas spirit this year by performing a concert to the student body and faculty. Among the music that was performed was an old Christmas favorite "Silent Night" and two of the selections from the Vivaldi "Gloria." The Vivaldi "Gloria" also was presented to the members and community of the St. Episcopal Church in Lakeland. It was held on December 6, at 7:30 p.m. The Vivaldi "Gloria" is designed for soloists and chorus. The musical instruments that were used the night of the presentation were the pipe harpsichord, oboe, two violins and cello. A reception followed at the conclusion of the program.

Gun

"Annie Get Your Gun," is based on the romance and tragedies of show business. The romance centers on a talented young man, Frank Butler, and Annie Oakley, who is a young girl from the backwoods of Dark County, Ohio. Annie challenges Frank to a shooting match which turns out to be a love match. Because Annie proves to be a better marksman than Frank, he then decides to join the Pawnee Bill's Far East Show. The two owners, Buffalo Bill's manager Charlie, his sister Polly, and Sitting Bull join together for one final match. This last rivalry finally brings Annie and Frank together again.

Business

The AHS Chorus and Drama students were proud to present their version of the musical "Annie Get Your Gun." They presented the play to the community. It was held at the Southwest Complex in Winter Haven from January 31-February

Many students were rescued in times of need by the School Store this year. This school store, run by the Cooperative Business Education (CBE) club, was not only important to the student body, but also to the club as it was one of their major fund raising projects. Profits from the school store, as well as from the sale of "Bloodhound Country" auto tags and senior class T-shirts, went for the employer-employee banquet at the end of the school year.

All students in CBE worked at clerical jobs after school. They were also in Mrs. Poole's CBE class, where they learned how to do clerical work and use business machines. The activities of CBE made it a vital part of Auburndale High School this year.

Under the guidance of Mr. Schwabland, Work Experience taught students how to use leadership, participation, and team work abilities. It gave the high school students the opportunity to work with other patrons for experience in job administration. The activities for the 1979-80 year in Work Experience included Parent-Employer night, Lake Stella cleanup, Employer-Employee Banquet, and the speaker's bureau. To have such activities Work Experience had a candy drive in May. Summing up the year, W.E. hosted a banquet in honor of their members that had worked so hard.

A cheerful morning smile.

School and work make busy days for ambitious students. Mr. Bowman's DCT students were well aware of that fact this year. The students successfully joined a day's endeavors at school and a day's endeavors at work. Members of DCT were busy with school and work, but still made time for meetings and many other activities. Money raised by the students went to sponsor an employer-employee banquet at the end of the school year. The DCT students were definitely successful at meeting the challenges of the year.

THE YEAR IN REVIEW

Another year went by and the world we live in drastically changed as we watched. The past events changed our lives and slowly shaped the future. Not only were there tragic events, but there were also good and memorable ones all over the world.

International news was centered around the crisis in Iran. Iranian militants took over the United States embassy in Tehran, Iran, in November. They asked for the return of the exiled Shah of Iran in return for the release of the hostages. At the time this copy was written, more than 50 Americans had been held hostage for more than 100 days and we still had no idea as to the date of their return to America. This situation alone made all international relations sensitive.

Another big news item was the Russian invasion of Afghanistan. Russian troops went into the country when they began having trouble. Many countries, angered by the invasion, asked for the Summer Olympics to be postponed or moved from Moscow. This caused other problems because it deprived the athletes of the one thing they had worked all their lives for. The controversy did not affect the Winter Olympics. The games, held in Lake Placid, New York, were a great boost to the American economy.

Many other world wide events added to the tenseness of the world. At one point in the year, the price of gold rose to more than $800 an ounce. Gas prices also soared to more than $1.10 a gallon and had not stopped rising at the time this copy was written. These prices were caused by a shortage of gasoline. In order to reduce the use of gasoline, gasohol (a mixture of gasoline and grain alcohol) was introduced. Although gasohol costs the same amount, it was supposed to get better gas mileage and because it was made partly from grain, it was replenishable.

Nineteen-eighty was also an election year. There were very close races in all parties. In the Republican party, George Bush gave Ronald Reagan a fight, which was very surprising. Ted Kennedy and Jimmy Carter were arch rivals for the Democratic nomination.

Because of the Russian and Iranian crises, the United States began to build up its national defense. President Carter considered reinstatement of the draft. He sent bills to Congress asking for the reinstatement of the draft for both men and women. This affected all AHS students, as they were or soon would be at the age for being drafted.

The news of Florida was highlighted by the Theodore Bundy trials. Bundy was convicted of murder for the deaths of two sorority sisters from Tallahassee and sentenced to death in the electric chair. He was also found guilty of kidnapping and murdering Kimberly Leach, a school girl from Lake City. Also, Florida's only Republican legislator, was involved in Abscam (a scandal involving payoffs to high government officials).

On the sports scene, the Tampa Bay Bucs became winners for a change. They made it all the way to the NFC finals, but were defeated by the Los Angeles Rams and did not make it to the Super Bowl this year. The Pittsburgh Steelers defeated the Rams to become the champions.

At school, many memorable events occured. One of these was Senior Skip Day, over 250 seniors were absent from school in one day. The juniors sold more than $10,000 worth of magazines in their annual drive to sponsor the Junior-Senior prom. This was more than any other Junior class had ever sold.

The year had its hard times, but it also gave us fond memories to look back on in years to come. The events of this school year were tremendous, because they were so extreme in comparison to the years in the past. This will surely be a year to remember.

JR. TENNIS CLUB

FLORIDA SOUTHERN COLLEGE

We're your neighbor in Lakeland—and like most neighbors, you probably think you know what's going on here. Well, we think we've got a few surprises for you! Do you know about the Tuition Voucher program? It could save you a lot of money. Or our three new degrees in music? Or our citrus institute? Or the beautiful new center for our communications program? Or. . .

Give us a call (683-5521, ext. 311).
We've got a lot of surprises for you!

Brush Cutters & Weed Cutters

Marden Brush Cutters
used the world over for site preparation and establishment of pasture land

Marden Weed Cutters
used the world over for constant maintenance of pasture land

The Marden Duplex, Triplex, or Single Section Brush Cutters and Weed Cutters are designed to control and eradicate unwanted vegetation while at the same time cultivating and aerating the soil; plus growth of *wanted* vegetation is stimulated...all this in one pass. The Marden angle will produce scarification without inversion which means so much to all agriculturists.

Let us know your tractor size and we can recommend the suitable model for your needs.

When we all tend to drift apart in distance as years go by, we will think of each other as being a part of A.H.S., where each of us has been his or her own self.

A great deal of hard work, patience, creativeness, determination, and equal effort on everyone's part, all goes together and ends up as the Bloodhound yearbook. I wish to thank the 1979-80 staff for every bit of that. To the new members on the staff — thanks for the new ideas you brought in. As for the old members — thanks for going through it one more time. To Gina Dye, the '80 Bloodhound Co-Editor, I couldn't have done it without you, especially your "It's okay; don't be so nervous" line.

Thanks extends to many people for making the '80 Bloodhound a success; to Mr. Jim Bolin, our Taylor Publishing Company Representative, to Ms. Allison Ritchey, for being an authentic advisor, and for the franticness at deadlines that pushed us harder, furthermore for being a friend, to Mr. Al Fisher and Bryn Alan Studios for the portrait photography, and to our patrons, whom all in all contributed $6,820.00 toward the production of the Bloodhound this year. Special thanks to my mom and Scott for putting up with me during deadlines.

To the student body and the faculty, "Thank You" for being a part of A.H.S. After all without you there wouldn't have been an '80 Bloodhound. I hope that you have enjoyed this year's annual and have had as much pleasure looking through it as I have had editing it, and as the staff and I have had composing it for you.

As the 1979-80 school year comes to an end, we realize that friendships will end, some will be everlasting, and new friendships will come into our lives. I hope that you all will one day look back on the "Directions to a New Decade" theme, and realize that it was the way, the way not only to a new decade, but also a way for us to remember the 1979-80 A.H.S. life.

Sincerely,

Rita Cook

'80 Bloodhound Editor

Jackie,
I'm so thrilled that I have gotten to know you. I wish you all the best in all that you do. Have a great senior year and God bless you always
Love,
Lupe

Jackie, I Really don't have much to say, because you know and I know we still treat eachother equal. but thanks for good years and good times together. Class of 81

Jackie,
I'm really glad we got to know each other this year, to bad you're a senior, because you will miss all the fun with us next year. I wish you all the best of luck in what ever you do.
Love ya,

P.S. Turn to page 15 & 93.

In Memory of Jewell Grace Haire

Jewell Haire, 18, the daughter of Mr. and Mrs. Henry H. Haire, died in the early morning of December 18, 1979. She was involved in an automobile accident on Ariana Boulevard.

Jewell was a senior here at AHS and enrolled in the DCT program. Jewell's death brought sadness and emptiness to the ones who knew her, and her memory lives on in all our hearts.

We Jackie had some times at this school. I enjoyed your friendship. I hope we stay as close as we are now. Best of luck in the future.

Southern lands and sky blue water,
Midst them stands you, Alma Mater.
Guardian of this fruitful land,
With all knowledge at your hand.
Ever guiding onward true,
Auburndale, we pledge to you.
Alma Mater, stand forever,
On Lake Ariana's Shore.
